

Welcome to Summerville Middle School! The middle school years are a time of change, growth and new opportunities. I look forward to starting the middle school journey with you. It is my priority to ensure that each student feels they are a part of Summerville Middle School and a part of their education. The workload, social adjustments, responsibilities, and expectations are greater at the middle school level and we are here to help you grow and adjust. The middle school years will be filled with many new exciting opportunities for you.

We encourage and want our parents to volunteer and visit at any time. We also welcome your input~ comments, concerns, and/or suggestions are embraced. We strive to keep in contact with our parents. Communication between home and school is one of the essential keys to student success. Parent/student conferences, newsletters, social media, the school website, notes sent home by teachers, and phone calls to parents are a few ways that we keep parents informed about events and happenings at SMS.

Please visit the school website at [www.chattooga.k12.ga.us](http://www.chattooga.k12.ga.us) and choose Summerville Middle. It contains a wealth of helpful and useful information. Good luck in your journey through SMS. I am ready and willing to help you in any way that I can. If I can be of any assistance, please do not hesitate to contact me at the school by phone or email. Thank you for your help and support and I look forward to having a successful year.

Best Wishes,  
Leann Lowry
